STAR WARS:
RETURN OF THE JEDI — MANGA
VOLUME 1

“ARE YOU SURE THIS IS THE RIGHT PLACE?”

STAR WARS: RETURN OF THE JEDI—MANGA is a translation which was first published in Japan by Media Works. In Japan, manga is normally read from right-to-left. In order to conform to Western standards, the art in this book was copied in a mirror-image to facilitate left-to-right reading of the pages. This, of course, can cause some confusion in a story such as *STAR WARS: RETURN OF THE JEDI—MANGA* where readers are somewhat familiar with the material and so will notice characters both moving and appearing in an opposite fashion from that which they did in the film. We apologize for any confusion this may cause and hope that it will not detract from your enjoyment of this volume.

Episode VI

RETURN OF THE JEDI

Luke Skywalker has returned to his home planet of Tatooine in an attempt to rescue his friend Han Solo from the clutches of the vile gangster Jabba the Hutt.

Little does Luke know that the GALACTIC EMPIRE has secretly begun construction on a new armored space station even more powerful than the first dreaded Death Star.

When completed, this ultimate weapon will spell certain doom for the small band of Rebels struggling to restore freedom to the galaxy . . . .
